Chairman's Message

My Dear Students,

We are heading towards the end of the year 2016. New Year is just around the corner. It is time to make new resolutions and resolves.

My festive Greetings to all for a Merry Christmas and a glorious New Year 2017. It is said two places are most valuable in the world! The nicest place is to be in some one's THOUGHTS and the safest place is to be in some one's PRAYERS. Dear Students, you are always in my thoughts and prayers. Always remember God has planned good things for each one of us at the time which he feels is right. We should have patience because he does not share his calendar with us. So, keep the faith and enjoy his surprises. Positive thoughts generate positive feelings and attract positive life experiences. During youth we learn, with age we understand. It is said that the first to apologise is the bravest; the first to forgive is the strongest and the first to forget is the happiest. Time and Smile are two critical things in life.

In the month of November, we organised "World Commerce Day" on 10th November, 2016 wherein 8 Schools participated. Our students also had a hand on opportunity to visit Topcem Cements at Amingaon for an Educational Tour. I am also glad to inform you that around 29 Students were benefitted from Mock Test for CPT December Examinations. My best wishes to all the examinees of December, 2016 CPT Examinations.

Friends, the year end is on the doors. The Winter Bells have started ringing. A lot of Activities have been planned for the month of December. For the First time the Indoor & Outdoor Sports shall be organised at the Campus of Royal Global School with state of the Art Infrastructure. The much awaited Mega Festival of the Branch "Youth Festival" has been scheduled on December, 30. I urge all my students to participate in large numbers and unwind the pressure of CA Course curriculum. Besides above a number of Educational Tours, Study Circles and Workshops have been planned in the month of December. Do take the best of benefit of all the events.

Before I conclude, I quote **Aldous Huxley**

"There is only one corner of the universe you can be certain of improving, and that's your own self."

Wishing you most & more

Editor's Desk...

Dear Students

This is the 11th Edition of the E-newsletter 'EICASA@Guwahati' for the month of November'2016. The month of November'2016 had all our students having exams at different levels of Chartered Accountancy course and I am very hopeful that they shall again make us proud. However, as students we should always keep Sir J. Wallace Hamilton's words in mind who says "People are training for success when they should be training for failure. Failure is far more common than success; poverty is more prevalent than wealth; and disappointment more normal than arrival". One should therefore always have the ability to go from one failure to another without losing their enthusiasm.

The exams being over, students are expected to update themselves with all the developments, over the last couple of months and gear up for the activities lined up for the students by the Guwahati Branch of EICASA. In the month of December, Guwahati Branch of EICASA has planned an educational tour, one day seminar, study circle meet, workshop, indoor & outdoor sports and the much awaited youth festival. The outdoor sports and youth festival shall be organized at Royal Global School this year which adds grandeur to the event. Friends do come in large numbers and be a participant because in the words of Gail Devers "Every accomplishment starts with the decision to try".

I, on behalf of the Editorial Board, would like to request all our dear students to engage themselves in contributing articles, poems, etc. which shall be reviewed by the Board and included in the forthcoming E-newsletters.

Warm Regards

CA. Ankit Agarwal

Vice Chairperson's Message...

Hello friends,

"Creativity is intelligence having fun."

I welcome you all to the November edition of E-newsletter released by the EICASA Guwahati Branch.

The month of November has been very important for the students filled with extra energy among the students as the exams came to an end this month. We had an educational tour to Topcem Cements. A mock test for the CPT students along with a special counselling session was conducted. The World Commerce Day on 10.11.2016 was celebrated with various schools participating in the events organised by the institute for the students.

It's a pride for all of us and I take the opportunity to congratulate the winners of quiz and elocution who have won the nationals level and will represent India in Dhaka.

The month of December will be full of events with youth festival & sports meet coming up and I would request all the students to actively participate in the activities of our institute so that every event organized is beneficial for all of us.

Regards,

Aayushi Agarwal

Student's Poem

A Thought You'd Leave

*It's not true that you cannot fail,
The game's not over
You can still reset the trail.*

*Find a way
To be beyond its reach,
It's just a thought
You would want to leave.*

*There's always something
Sinister about failure,
But assure yourself
It's gonna make you
Even better.*

*Regain those lost efforts,
Push yourself,
Revive your dreams.
Coin your destiny today,
Let failure leave your spirit untouched!*
