## From the Chairman

**Dear Professional Colleagues,**

Greetings!

The month of May has been a defining period for the Guwahati Branch, reflecting our unwavering commitment to professional excellence, innovation, collaboration, and the development of future Chartered Accountants. Every initiative undertaken during the month was aimed at empowering our members and students with knowledge, skills, and opportunities to excel in a rapidly evolving professional landscape.

We commenced the month with a focused seminar on Audit Quality, reinforcing the importance of high-quality assurance services and robust financial reporting. This was followed by a comprehensive seminar on Commercial Laws, covering key developments in RERA and the New Labour Codes, enabling members to broaden their professional capabilities beyond traditional domains.

A landmark achievement of the month was the successful organisation of the Sub-Regional Conference 2026 – Assam, “सप्तसेतु – Connecting the Seven Sisters through CA Excellence,” jointly hosted with the Dibrugarh and Tinsukia Branches under the aegis of EIRC. The conference brought together professionals from across the North-East and served as a vibrant platform for exchanging ideas on emerging technologies, taxation, governance, entrepreneurship, and the future of the profession. Such collaborative initiatives strengthen the professional ecosystem of the region and reinforce the spirit of unity within the fraternity.

The Branch also organised a Training Programme for Peer Reviewers, equipping members with the latest developments in the Peer Review framework and Audit Quality Maturity Model. As quality assurance continues to be the cornerstone of our profession, such capacity-building initiatives remain essential in enhancing public confidence and maintaining the highest professional standards.

While professional development remains our primary focus, we also believe in giving back to society. Our Mother’s Day celebration with senior citizens was a small yet meaningful initiative that reflected the values of compassion, gratitude, and social responsibility that define our profession.

The month concluded on a truly memorable note with Metaballo Vista 2026, the Mega CA Students’ Conference, hosted by the Guwahati Branch. Bringing together more than 400 plus aspiring Chartered Accountancy students from across the region, the conference provided an inspiring platform for learning, leadership, innovation, personality development, and interaction with eminent professionals. The enthusiasm and energy displayed by the students reaffirm our belief that the future of the profession is in capable hands. Investing in our students today is an investment in the strength and relevance of the Chartered Accountancy profession tomorrow. I sincerely thank all our speakers, delegates, volunteers, sponsors, Managing Committee Members, EICASA team, and Branch staff for their tireless efforts and wholehearted support. Every successful programme is the result of collective dedication, and I am proud of what we have achieved together.

As we move ahead, let us continue to embrace change, pursue excellence, and work with a shared vision of strengthening our profession while creating lasting value for society. Together, we shall continue to build a future-ready profession that inspires trust, drives innovation, and contributes meaningfully to the nation’s progress. Let us continue to learn, adapt and grow together as a strong professional fraternity committed to excellence, integrity and nation-building.

**With best wishes and warm regards,**

**CA Anjani Kumar Mundhra**

## ***Editor's Desk***

### **Dear Esteemed Members**

Greetings from the Guwahati Branch (EIRC) of The Institute of Chartered Accountants of India.

As we welcome another month, let us take a moment to appreciate the progress we have achieved together and look forward to the opportunities that await us. Every new beginning reminds us that growth is a continuous journey, driven by dedication, perseverance, and a willingness to embrace change.

In today's ever-evolving professional landscape, knowledge, adaptability, and collaboration are the pillars of lasting success. By staying committed to continuous learning and maintaining the highest standards of integrity, we not only strengthen our individual capabilities but also contribute to the collective progress of our organization.

Every accomplishment is the outcome of consistent efforts, teamwork, and a shared vision. While challenges may arise along the way, they also provide valuable lessons that help us become stronger, more resilient, and better prepared for the future. Let us continue to support one another and work with determination to achieve our common goals.

As professionals, we have the responsibility to uphold excellence in every aspect of our work. By fostering innovation, encouraging knowledge sharing, and maintaining a positive outlook, we can create an environment where everyone has the opportunity to grow and succeed.

May this edition serve as a source of information, inspiration, and motivation for all our readers. We hope you enjoy the articles and updates featured in this issue and continue to contribute towards making our organization stronger with every passing day.

**With warm regards,**
