Friends,

As we enter the New Year 2023, I wish you all a very productive year ahead.

It gives me immense pleasure in sharing the December 2022 Edition of E-Newsletter of Guwahati Branch of EICASA.

As a conscientious student, you need to be aware of both your strengths and weaknesses. Identify your strengths and work on them further so that they become your core competencies. At the same time, you must be aware of your weaknesses and make an honest effort to overcome them. Continuous, vigorous and sustained effort in this direction would convert your weaknesses into strengths over a period of time.

December was a month full of activities for all the students. During the last month, Debate & Chess Competition under National Talent Hunt, Educational Tour to Kaziranga University, Full Day Seminar on GST, Essay Writing & Drama by students under National Talent Hunt etc. were organized. The extravaganza fest of the year "Yo-Fest" was organized at Guwahati Branch where different events like singing, dancing and other competitions were organized. Students actively participated in the fest making it a grand success.

As the nation prepares for the 76th Republic Day, I extend my best wishes to all fellow Indians, on the occasion. The result of CA examination November 2022 will also be declared in the current month. I wish you 'All the Best' and sincerely hope for your success. I earnestly hope that the current year will be a landmark year in which our Institute will reach great heights, further strengthening the accounting profession.

I am extremely happy to see the responses on our "FUN Quiz" section. I thank all the participants for being so actively contributing to the E-Newsletter. Students who are in top 3 for consecutive three months shall be rewarded. I request you to kindly participate and send your responses at beriyaneha@gmail.com.
