FROM THE EICASA CHAIRPERSON'S DESK

"The highest education is that which does not merely give us information but makes our life in harmony with all existence." – Rabindranath Tagore

Dear Students,

As we celebrate **Chartered Accountants Day on 1st July**, we reflect with pride on our recent journey toward the core pillars set for our term: **Knowledge, Networking, and Holistic Development.**

In May, we achieved a historic milestone by hosting our Mega Conference beyond the branch auditorium. This platform was envisioned to be commensurate with your high ambitions, and thanks to the tireless zeal of our students and the meticulous dedication of our committee, we transformed that vision into a landmark success that will inspire our branch for years to come.

This spirit of excellence has truly reflected in our recent academic achievements. I am immensely proud to share that Assam has attained flying colors in the CA Final results, with two of our students from the Guwahati Branch securing prestigious ranks within the top 50 nationally.

June has been a month of further growth and active engagement:

Social & Wellness: We reinforced our commitment to the community and personal well-being through Environment Day, a Blood Donation Camp, International Yoga Day, and a spirited team Cyclothon.

Professional Development: We expanded our technical horizons through an educational tour of the GSTAT and an insightful MSME Seminar.

National Representation: It was a profound privilege to represent the Guwahati Branch at the **EIRC EICASA National Conference of Students, "ASPIRE, RISE, AND CAPTIVATE,"** held in Kolkata. Addressing a monumental gathering of over 4,000 students, I had the distinct honor of delivering the opening remarks. Together with the active participation of our dedicated team members, we delivered a dynamic, high-energy opening session, proudly showcasing the vibrant spirit of our branch on a national stage.

As we step into July, I encourage you to remain proactive. This month will be packed with practical sessions, and I am excited to introduce **AURA**, an initiative designed to help you transform your theoretical knowledge into practical expertise using the power of AI. I urge every one of you to participate actively and fully engage in these upcoming training programs; they are essential for bridging the gap between theory and the real-world demands of our profession.

On this CA Day, let us celebrate the dedication that defines us. Keep striving, keep learning, and continue to elevate your perspectives as you build your future.

Happy Chartered Accountants Day to all our budding professionals!

Warm regards,

CA. Nitika Bagaria

Chairperson,

EICASA Guwahati Branch

FROM THE EDITOR'S DESK

Dear Readers,

It gives me immense pleasure to present Volume X, Edition VI of Metavallo Vista on the proud occasion of Chartered Accountants Day. As we celebrate the legacy of one of the most respected professions in the country, this edition reflects another remarkable chapter in the journey of EICASA Guwahati—one defined by learning, practical exposure, wellness, and active student participation.

This month has been particularly enriching, with the GSTAT Educational Tour standing out as a significant milestone. By witnessing live appellate proceedings and interacting with the practical aspects of GST litigation, our students experienced firsthand the bridge between academic knowledge and professional practice. The overwhelming response to this initiative inspires us to continue creating more opportunities that extend learning beyond the classroom.

Alongside professional development, we also reaffirmed the importance of holistic well-being. Through initiatives such as the Cyclothon and International Yoga Day celebrations, we promoted the message that good health is indispensable to professional success. In a profession where long hours and sedentary routines are common, maintaining physical fitness and mental wellness is not merely a choice but a necessity.

One of the most encouraging aspects of this month has been the growing enthusiasm of our student fraternity. It is heartening to witness many new faces actively participating in our activities and embracing every opportunity to learn, network, and contribute. Your energy and involvement continue to strengthen the spirit of EICASA Guwahati and motivate us to organize more impactful initiatives.

This edition also celebrates the remarkable achievements of our students on various national platforms, reflecting the talent, dedication, and potential that our branch proudly nurtures. Every accomplishment featured in these pages is a testament to the hard work of our students and an inspiration for others to pursue excellence.

On this Chartered Accountants Day, let us renew our commitment to the values that define our profession—integrity, excellence, ethics, and lifelong learning. As future Chartered Accountants, may we continue to grow not only in knowledge and competence but also in character and service to society. Metavallo Vista continues to be more than just a newsletter; it is a platform that chronicles our journey, celebrates achievements, and amplifies the voices of our student community. I encourage each one of you to contribute your articles, technical insights, creative works, and ideas, helping us make every edition even more meaningful.

On behalf of the editorial team, I extend my heartfelt wishes to all Chartered Accountants, members, and students on this special occasion. Happy Chartered Accountants Day! May this day inspire us all to continue learning, leading, and upholding the highest standards of our noble profession. I hope you enjoy this edition and find it both informative and inspiring.

Warm Regards,
